PRIVATE GOLF CART RULES & REGULATIONS

1. Owners are responsible for carrying the necessary liability insurance and are responsible for any personal injury or property damage caused by a golf cart operation, regardless of who is operating the golf cart at the time. LWGC assumes no liability for accidents, misuse, theft, damage, injury or any other occurrence or mishap arising from golf cart operation on LWGC property. The owner indemnifies and holds harmless the LWGC for any and all liability arising from the use of the golf cart.
2. Golf carts may NOT be operated by unlicensed drivers, unless accompanied by a parent or guardian. Parent or guardian must be in the front seat with the operator. Parent or guardian is assuming full responsibility for the driving behavior of the unlicensed driver and any resulting damage or injury.
3. Golf carts may NOT carry more than the number of passengers for which they are designed.
4. Golf carts must be in good running condition and shall not emit excessive noise or smoke. Any golf carts that become inoperable on the golf course or interfering with pedestrian or golf course traffic must be removed immediately.
5. Operators must observe safe driving practices, avoiding excessive speed and unsafe maneuvers. Golf carts must not be parked in a manner which interferes with pedestrian, other golf cart or staff traffic. Golf carts are not to be stored on golf course property.

I have read and understand the Private Golf Cart Rules & Regulations and agree with the terms and conditions set forth. I understand that any violation of these Rules & Regulations can lead to my immediate eviction from the golf course and potential suspension of the Private Golf Cart and/or personal golf privileges for a period determined by the LWGC General Manager. I understand that the Rules & Regulations may be altered at any time, without notice, at the sole discretion of the LWGC.
