

CALL IT NETWORKING, CALL IT TEAMBUILDING, WE CALL IT THE BEST WAY TO SPEND A TUESDAY NIGHT!

Not only is Lone Wolf's Commercial League the LARGEST in the Peace, it's also the ONLY COED Commercial League. Your team plays a weekly 9 hole match against another team for league points and weekly prizes. Formats change weekly, rotating between 2 person scramble, 4 person scramble, 2 person better net and net match play.

It's a night of light competition but mostly an opportunity to meet new golfers, reconnect with other golfers and enjoy the company of your team. Participants have a wide range of golf experience and skill, from scratch golfers to 30 handicaps. The team with the highest points at the end of the season wins bragging rights and free entry in 2021. The Windup event on September 12 is a 6 person scramble and features skill, score and door prizes.

Each team should have at least 6 players; 4 players are required each league night. The league begins mid-May and tees off at 5:30 in the spring and 6:00 in June.

LEAGUE FEES

Each team pays a League Fee of \$500. This fee is used for weekly and wind up prizes, wind up dinner and hole in one insurance. A small portion of each registration supports a yearly initiative at the Club. In 2019, the Commercial League purchased a heater for our event tent, helping make our tournament and event days just a little more welcoming!

In addition to league fees, weekly green fees are applicable to non-members. The league green fee is \$20 per person per night. You can also purchase a Commercial League Membership for \$300, which covers the green fee for one player per night. The membership belongs to the team rather than the player so it can be transferred among players each week.

If your team needs carts (which are encouraged as we do a shotgun start so you do not necessarily start or end on a hole close to the Clubhouse), you can purchase a Commercial League cart membership for \$175 and a cart will be staged and ready for you every Tuesday night. Alternatively, renting a cart by the night is \$13 per player.
